CIO Only Quarterly Roundtable

Cybersecurity and Analytics for Mid-Market Companies

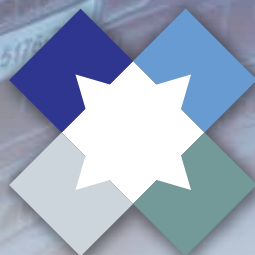

Tuesday November 10, 2015

FAU Boca Campus

6:30pm to 9:00pm

**We ask the hard questions and we get the hard facts:
Can we afford Big Data Analytics and what are the
benefits to mid-market companies?**

**Joining us in this exchange of knowledge will be a distinguished
panel of local CIOs and members of the FAU faculty and student
body. Learn about their programs and work in the fields of
Cybersecurity and Analytics.**
